MRS. C. E. WELLS ACCIDENTALLY SHOT

Taken To Hillside Hospital, San Pedro and Will Recover

Just leaving for their home on Almond street, after spending the evening with Mr. and Mrs. Joseph Schnellendorfer of East Arizona street, Mr. C. E. Wells accidentally discharged an automatic revolver, which he and Mrs. Schnellendorfer were examining. The bullet struck Mrs. Wells, passing through the upper part of her chest, just missing the arteries between the heart and lung. Failing to secure medical aid after telephoning eight different physicians, Mr. Schnellendorfer took Mrs. Wells to the Hillside Hospital in San Pedro, where latest bulletins state that Mrs. Wells will recover. An amusing incident followed the accident. An hour or two after Mrs. Wells had been taken to the hospital, county and city officers from Torrance were scouring Lomita for the man who, according to reports current in Torrance, had murdered a woman.

DRY RIVER A CULVERT

"All things come to him who waits." In a few days, now, the Dry River will be a thing of the past. Gone, but not forgotten by the machine owners who paid out perfectly good money for sadly racked (and nearly wrecked) machines. A gang of workmen are deliberately but none the less surely putting in a culvert across Narbonne avenue, at Weston street.

Dr. H. J. Kirby, Chiropractor, of 1035 Pacific Avenue, San Pedro, has opened an office at 1400 Narbonne Avenue, Lomita, and will receive patients Mondays, Wednesdays, and Fridays, from 2 to 5 p. m.—Advertisement.
